ORDER

Pursuant to our order, Lt. Gen. (R) Dr. Azhar Kiyani, Head of Rawalpindi Institute of Cardiology (RIC) has provided a write up about the minimum facilities/equipment which must be available in the emergencies of public and private hospitals. A list of such equipment has also been placed on record.

2. Lt. Gen. Kiyani has provided a standard template of prescriptions for patients of certain chronic diseases including hypertension and cardiovascular diseases who may have undergone any heart related procedure (bye-pass surgery/angioplasty etc). The standard prescriptions contain drugs readily available in the market at affordable rates so that patients suffering from hypertension and cardiovascular diseases are not burdened by unbearable costs over extended periods of time. The standard prescriptions cost around Rs.500/- to Rs.1100/- per month for diseases mentioned below:
